

To Participating Prepaid Freight Program Dealers:

The Lexington Home Brands Prepaid Freight Program has proven highly effective in reducing logistics costs and claims for participating dealers. With a predictable 2-year rate structure that includes the fuel surcharge, no minimum freight charges, the simplicity of one consolidated invoice, and the convenience of claims being managed by Lexington, the program serves to mitigate the financial risk and general hassle of dealing with carriers on an individual basis.

A carrier has been selected to service each state in the program, offering the benefit of negotiated rates that leverages the aggregate volume of all program participants. That percentage rate is applied to the regular wholesale price of all Lexington Home Brands products and added to the invoice.

We have done everything possible to leverage efficiencies of scale, while continuing to provide exceptional service. All freight claims and shortages are processed directly through the Lexington Home Brands Customer Care Department. As a participant in the Lexington Home Brands Prepaid Freight Program, you will receive guidelines for handling damage and/or shortages. Replacement parts and replacement orders are expedited in order to minimize customer delays.

Our goal is to deliver our products to you promptly and in showroom condition. Any deviations are handled in a professional and courteous manner making the resolution process a painless one. Please Contact your Customer Care Team or Artistica Home Sales Representative for additional details or to register for the program.

PREPAID FREIGHT PROGRAM RATES

Effective January 1, 2026

I agree to participate in the Lexington Home Brands Prepaid Freight Program with the rates listed in the table at the bottom of this page. I understand that my freight charge will be based on a fixed percentage rate determined by the state to where the product is shipped.

For indoor or outdoor case goods and box-to-reship upholstery, freight will be calculated by multiplying this rate by the regular wholesale price of the product.

For custom upholstery and deep seating, wherein fabric selection determines the price, freight will be calculated by multiplying the state rate by the item type fixed values as noted in this chart:

FIXED VALUES by Brand/Category	Sofa	Chaise	Love Seat & Wedge	Chair	Ottoman	Dining Chair	Stool & Bench
Lexington Home Brands Custom Upholstery (Lexington, Tommy Bahama Home, Barclay Butera, Artistica)	\$2,175	\$1,500	\$1,725	\$1295	\$650	\$695	\$800
Tommy Bahama Outdoor Seating Frame and Cushion Set shipped together*	\$1,450	\$1,050	\$1,100	\$725	\$325	\$425	\$425
Tommy Bahama Outdoor Seating Cushion Sets only*	\$1,000	\$800	\$750	\$500	\$250	\$250	\$250

*The all-inclusive outdoor seating product fixed values by item are noted on the following pages.

I understand that Lexington Home Brands will assign my carrier. All claims will be submitted within 15 business days of the product receipt and will be managed through the Lexington Home Brands Customer Care Department.

My participation in the program is optional. While this document serves as notification for the current 2026-2027 rates, I realize the rates are renegotiated at the end of every contract period and will be communicated to me as a program participant. I may cancel at any time by requesting such in writing to: Director of Customer Care, Lexington Home Brands, 1300 National Highway, Thomasville, NC 27360. PREPAID FREIGHT PROGRAM Damage/Shortage Claim Guidelines

To expedite any service issues that arise under the Prepaid Freight Program for Lexington Home Brands products, please follow the guidelines outlined below when submitting claims for damage or a shortage:

- Accept all products from the carrier - even items with visible damage.
- Inspect the product and note any damage or shortage on the delivery ticket at the time of delivery. Provide a complete description of the damage or shortage, noting the condition of the carton.
- Report any damage or shortage to the Lexington Home Brands Customer Care Department at 336-474-5700 using the published Claim form available on the Dealer Extranet and from your Customer Care team within 15 business days of receipt. It is important to understand that any freight damage that occurs after receiver receipt and inspection, up to and including the customer install, is not covered under the Freight Program.
- Please do not contact your Lexington Home Brands Sales Representative to report damages or shortages.
- Note that carriers will not honor claims for damage submitted more than 15 business days after the receipt of goods. In such cases the dealer will assume responsibility for 1/3 of the cost of the merchandise.
- When reporting your claim, please provide:
 1. Pro Number – located in the upper right corner of the delivery ticket
 2. Lexington Home Brands Acknowledgement Number
 3. Delivery dates to you (RE: Delivery Ticket)
 4. Freight Bill Number and verification of driver's signature
 5. Complete description of damage/shortage
 6. Photos of the damaged items

With your assistance in providing the above information, Lexington Home Brands Customer Care will be able to resolve your claim in a timely manner.
